Mr. Hoby:

I am writing in support of the request by the family of Carl Eiberger to commemorate the life and work of one of the most distinguished citizens of Jefferson County, and an integral figure in the preservation of some of our most iconic landscapes.

You have likely read and heard of all of the accomplishments of Mr. Eiberger. The countless hours of pro bono legal work spent fighting the development of South Table Mountain. The decades of community service. His selfless nature, his enormous heart, his unrivaled passion to help. It comes across as folklore; even legend. But he was real, his accomplishments are tangibly felt to this day, and his generosity is nearly unheard of in today's culture. For those reasons, and many more, I encourage and support any efforts by Jefferson County Open Space to recognize his legacy and long-standing impact on our region.

Sincerely,
